

Computers, iPads, Laptops, Tablets, Androids, Phones...

So many names, choices, which one is for me, or is it for me, what benefits are there for me, the internet, Wifi hotspots? It's so confusing!

Technology is all around us; want some help to demystify what is right for you? If at all, you could just come and have a try, who knows. We are offering back to basics/beginner courses for our members. There will be no sales tactics, it will be a safe place to have a go, bring your own, and learn more about it, or try one of ours. Sessions are being held in partnership with Age UK Leeds.

***'Working Together
in the
Community'***

We also run a computer group at Lovell Park Hub fortnightly for those with more experience

If wishing to join us at either, then please call, we would love to hear from you:

Lisa at Caring Together on: 0113 243 0298.

Note: beginners sessions will be held in the Little London Community Centre

'Supporting Local Older Adults in the Community for 21 years'
