From the New Year our doors will be open every Wednesday for the wintery months ahead where you don't have to think about what to cook or if the heating is on or off. It will be on and we will have a light lunch covered too.

There will also be some '**Live Music**' from the students of Leeds University Music in the Community on the '**last Wednesday of each month**'. You can come and listen, tap your foot and even sing along if you wish.

So please call in, and while away an hour or so in good company, with a warming cuppa, some hearty soup and a bread roll. There are also books and magazines to read or take away if you wish. There is no need to book, all are welcome. We would love to see you!
