

‘Light Night Leeds’

UK’s largest annual Arts and Light Festival

Light Night Leeds invites people to see the city in a new light and discover free arts events across the city centre. From large-scale light projections and interactive installations, to music, dance and street performances, there is always something for everyone

Caring Together will be hosting our very own Light Night Activities as a preamble to the main event for those unable/or wishing to get into town, or just a little something for those prior to heading in too.

We will host three sessions over three weeks culminating in a Pre Light Night Event with some hearty soup, crusty bread and hot drinks.
